Subject:- Levy of Lighting tax in Honnali Municipality
- sanction of-

I write to state that the Municipal Council Honnali, at their meeting held on 14-5-1950 had resolved to levy lighting tax at the rate of 0-8-0 per rupee ^{on} the tax on lands and Buildings notification was published in the Mysore Gazette dated 25-5-1950 calling for objections to the proposed levy within the prescribed time limit and the Municipal Council at their meeting held on 8-10-1950 considering the several objections received from the Public have resolved to levy the tax at the rate of 0-4-0 per rupee of tax on lands and Buildings

In this connection, I write to state that though the rate of 0-8-0 proposed by the Council is not in accordance with the rate prescribed in schedule A of the Town Municipalities Act 1933, the final decision of the Municipal Council to levy the tax at a rate of 0-4-0 is within the maximum rate and may be approved

As the Town is provided with electric lights and the Municipality is bearing an annual expenditure of Rs.3,000/- per annum in the behalf for the past one year, it is necessary that the levy should be given effect to early and I request that sanction of Government to the levy of lighting Tax in Honnali Town at the rate of 0-4-0 per rupee on the tax of buildings and lands, be obtained and communicated early

The connected papers are enclosed herein for favour of reference.

Yours faithfully

Deputy Commissioner,
Shimoga District
